## **1.0 INTRODUCTION/OBJECTIVES OF THE MEETING**

The Public Consultation on Niger State AFS 2020 was held with the view to give the citizens the financial position of the state and account for expenditures in the year 2020. The forum had a representative of government institutions, CSOs and CBOs, Media and SFTAS Focal Office.

## **2.0 OPENING REMARKS**

### **2.1 Opening Session**

The Hon. Commissioner Planning welcomed all the participants to the meeting and acknowledged that, this feed –back meeting was indeed a welcome development because the inputs into the AFS were collected from the citizens and it would not be out of place for the citizens to be informed on achievements and the funds collected in 2020 and how it was utilized as provided in the 2020 AFS.

The Permanent Secretary Finance informed the participants that the World Bank SFTAS relating to AFS and Citizens Accountability Report are critical instruments to help the State in its PFM Management in pursuance of transparency and accountability. Thus, useful contributions would be welcome to help improve the system. The CAR would be uploaded on the State Website for users to access.

## **3.0 PRESENTATIONS BY PLANNING COMMISSION, OFFICE OF ACCOUNTANT GENERAL AND OFFICE OF STATE AUDITOR GENERAL**

The Commissioner planning in his address informed participants that the discussions shall be anchored in the following areas:

- AFS Outturn
- Revenue Outturn
- Expenditure outturn
- Audit Findings
- Audited Financial statements
- Sectoral Allocations

- Top Value Capital Projects
- Citizens Nominated Projects

The National Chart of Accounts (NCoA) requires states to give 5-year financial summary. Participants were informed that the AFS contains issues like employees compensation i.e salaries, wages and allowances, overhead, public debt charges and other issues. The summary of it are contained in statements 1 - 4

#### **4.0 VOTE OF THANKS**

Samule Yisa delivered the vote of thanks while wishing all participants journey mercies

#### **5. CLOSING PRAYERS**
