

# MINUTES OF MEETING OF THE STAKEHOLDERS ENGAEMENT ON 2024 BUSINESS ENABLING REFORMS ACTION PLAN HELD AT SABER FOCAL OFFICE CONFERENCE ROOM ON 13<sup>TH</sup> NOVEMBER, 2023

## 1.0 Background

The stakeholder's engagement meeting for the 2024 Business Enabling Reform Action Plan (BERAP) is aimed at highlighting activities from all stakeholders (public & private) for efficient state level participation in the SABER program.

The primary goal of engaging stakeholders in the Business Enabling Reform Action Plan (BERAP) is to gather inputs and feedback from relevant stakeholders and private sector and MSMEs on existing challenges, bottlenecks and areas of reforms and improvement on the business enabling environment agencies. It is also to help carry out process re-engineering of some regulatory agencies to perform maximally in their service delivery system.

## 2.0 Opening Remarks

The SABER Focal Person, Sanusi Aliyu welcome all stakeholders to the event. He stated the essence of the meeting which was to collect and collate reform activities from relevant Ministries Department and Agencies (MDAs) for the development of the 2024 BERAP plan.
