**ADDENDUM TO THE GUIDELINE FOR NO-FEE APPLICATION AND
OBTAINING RIGHT OF WAY (ROW) PERMIT IN NIGER STATE (2024)**
(Administrative Clarifications and Supplementary Provisions)

1. Purpose of this Addendum

This Addendum is issued to provide administrative clarity, strengthen inter-agency coordination, and enhance transparency in the implementation of the Guideline for No-Fee Application and Obtaining Right of Way (ROW) Permit in Niger State (2024), without altering its substantive provisions or the zero-fee policy framework.

2. Clarification on State-Level Approvals

The Niger State Urban Development Board (NSUDB) remains the lead and approving authority for all ROW applications. Where applicable, NSUDB may coordinate administratively with other MDAs without requiring additional approvals from applicants.

3. Reinstatement and Restoration Obligations

All ROW permit holders shall restore affected infrastructure to acceptable standards within timelines agreed during inspection. Failure may attract enforcement actions under applicable laws.

No reinstatement fee shall be charged by the Niger State Urban Development Board; however, permit holders remain responsible for carrying out all required reinstatement and restoration works in accordance with applicable regulations.

4. Digging, Excavation, and Ancillary Works

ROW permit fees remain zero. Permit holders shall comply with technical specifications and bear reinstatement costs. No additional digging fees shall apply.

5. Documentation and Procedural Transparency

NSUDB is the responsible MDA for all procedural stages. Required documentation, timelines, and inspection outcomes shall be formally communicated to applicants.

6. Service Timelines and Administrative SLAs

Published timelines constitute service benchmarks and shall guide administrative processing subject to applicant readiness and inspection scope.

7. Payments, Modes, and Locations

No payments are required for ROW permits. Any future incidental payments shall be formally communicated and processed through official government channels only.

8. Legal Basis

This Addendum is issued pursuant to existing planning laws, including the Niger State Urban Development Board Building Regulations 2023, ROW Regulations (2024), and Executive Order No. 12 of 2024.

9. Effective Date

This Addendum takes effect immediately upon publication.
